## What is aggressive driving?

- Improper lane change
- Failure to yield right-of-way
- Improper passing
- Following too closely
- Disregarding traffic control
- Speeding

**SPEEDING** is one of the most common aggressive behaviors

According to AAA Foundation for Traffic Safety, millions of drivers engaged in the following aggressive behaviors including:

Purposely tailgating: 51 percent

Yelling at another driver: 47 percent

Honking to show annoyance/anger: 45 percent

Making angry gestures: 33 percent

Trying to block another vehicle from changing lanes: 24 percent

Cutting off another vehicle on purpose: 12 percent

## Follow the rules of the road

- Maintain adequate following distance
- Use turn signals
- Allow others to merge
- Use your high beams responsibly
- Tap your horn if you must (but no long blasts with accompanying hand gestures)
- Be considerate in parking lots - park in one spot and be careful not to hit cars next to you with your door
