**1. Call to Order & Roll Call**

Chair Ken Doherty called the Public Meeting to order at 10:00 am, prior to the regular quarterly LCB Meeting. Wendy Scott reviewed the LCB hybrid meeting protocol. Betty-Ann Sherer provided an onscreen view of the agenda throughout the meeting. The roll call was taken.

**2. Welcome to the Public**

Chair Doherty conducted the annual Public Meeting in compliance with the requirements of the Florida Commission for the Transportation Disadvantaged (CTD).

Chair Doherty called for public comment. The citizen present did not wish to speak at that time.

**3. Purpose of the Transportation Disadvantaged (TD) Program including the Transportation Disadvantaged Service Plan (TDSP) – CTD brochure**

Wendy Scott gave a general overview of the Transportation Disadvantaged (TD) Program utilizing the Florida Commission for the Transportation Disadvantaged (CTD) brochure entitled *Need a Ride?* In particular, she reviewed the five (5) key elements listed in the brochure. She also noted the CTD Ombudsman Line. Ms. Scott encouraged participation in the TD Voluntary Dollar Program, available when annual vehicle registration renewals are paid either online or via mail. The poster entitled *It Takes So Little To Help So Much!* was referenced. It states that 100% of all donations go to assist people in your community. Wendy Scott noted that more detailed information on the TD program would be provided to members during Agenda Item 6 - Overview of the LCB Process (Annual Training) at the regular quarterly LCB meeting which would begin immediately following the LCB Public Meeting. All were welcome to attend.

**4. Public Comment Period on TD Program or TDSP**

No member of the public wished to comment.

**5. Adjourn**

*Chair Doherty adjourned the Public Meeting at 10:14 a.m. and proceeded to the regular quarterly Charlotte County Transportation Disadvantaged LCB Meeting.*

1. **Call to Order & Roll Call**

LCB Chair Ken Doherty called the regular LCB Meeting to order at 10:14 a.m. at the conclusion of the Annual Public Meeting.

2. **Pledge of Allegiance**

The Pledge of Allegiance was recited.

3. **Public Comments on Agenda Items**

Rich Weingarten inquired about the source of funding for the upcoming Transit Development Plan (TDP). Heidi Maddox stated that it would be conducted using the FTA Section 5307 grant.

4. **Consent Agenda**

A. **Approval of Minutes:** [Approval of Minutes: November 4, 2023 LCB Meeting](#)

LCB Chair Doherty appreciated LCB Vice Chair Roberts chairing the November meeting in his absence. She noted that it had been her pleasure to serve the LCB.

*Suzanne Roberts made a motion to approve the Consent Agenda. Maricela Morado seconded the motion. The Consent Agenda was approved unanimously.*

5. **Election of LCB Vice-Chairperson**

The LCB Bylaws require the election of a Vice-Chairperson during the first scheduled meeting of the calendar year. The Vice-Chairperson shall serve a term of one year starting with the first meeting after the election. The Vice-Chairperson may serve more than one term. The Vice-Chairperson shall, during the absence of the Chair, have and exercise all the duties and powers of the Chair. The Vice-Chairperson shall also perform other such duties as may be assigned by the Chair.

LCB Chair Doherty requested that Wendy Scott chair the meeting for the election of the LCB Vice-Chairperson.

*Commissioner Doherty made a motion to nominate Suzanne Roberts to serve as LCB Vice-Chairperson. Joe Sabatino seconded the motion. There were no additional nominations, and the nominations were closed. The motion was approved unanimously.*

LCB Chair Doherty resumed chairing the meeting.

6. **Overview of the LCB Process (Annual Training)**

As described in the Commission for the Transportation Disadvantaged (CTD) annual planning grant executed with the Charlotte County-Punta Gorda MPO, planning staff members are

required to annually “provide technical assistance and training for the local coordinating board.” This is accomplished at the January LCB meeting each year. The annual LCB Member Training was conducted using the *Local Coordinating Board Transportation Disadvantaged Training Video*. LCB Members were then shown a graphic identifying the names of current LCB Members and what position they fill on the LCB.

#### 7. [Review/Endorsement of Charlotte County’s Section 5310 and 5311 Grant Applications](#)

Federal transportation legislation includes the Federal Transit Administration (FTA) Section 5310 and Section 5311 funding programs. Section 5310 is aimed at enhancing mobility for seniors and persons with disabilities, while rural residents benefit from Section 5311. Charlotte County Transit is applying for operating grants in both programs.

*Suzanne Roberts made a motion to endorse the Charlotte County FTA Section 5310 and 5311 Grant Applications. Maricela Morado seconded the motion. Candice Monroy abstained from voting due to her FDOT grant approval duties. The Consent Agenda was approved with one abstention.*

#### 8. [Community Transportation Coordinator \(CTC\) Quarterly Report](#)

*Given the timing of the holiday period and a very short turnaround time, the CTC Quarterly Report covering the October-December 2023 timeframe was not available for the January 4, 2024 LCB meeting. It will be reviewed along with the January-March 2024 report at the May 2, 2024 LCB meeting.*

#### 9. [Transit Development Plan \(TDP\) Update](#)

Transit Development Plans (TDPs) are required for transit grant program recipients in Section 341.052, F.S. A TDP is the provider's planning, development, and operational guidance document, based on a ten-year planning horizon and covers the year for which funding is sought and the nine subsequent years. Florida Administrative Code 14-73.001 Public Transportation further details TDP requirements. Substantial proposed changes to the current “TDP rule” are currently underway. These changes should promote better coordination between transit agencies and MPO planning efforts.

Heidi Maddox stated that the TDP scope had completed legal review. The vendor had been approved, and the document was awaiting BCC signature. The hard work would be commencing soon. A transit fare study, a transit marketing study and the feasibility of using alternate fuel vehicles would all be accomplished with the development of the TDP.

Wendy Scott raised the issue of the ongoing development of the new statewide Transit Development Plan rule and its potential impact to both the County’s next TDP and the MPO’s 2050 Long Range Transportation Plan (LRTP) development efforts. Timelines for both documents were a concern. Candice Monroy agreed to inquire with District One and FDOT Central Office staff regarding the latest developments with the TDP rule revisions. Heidi Maddox indicated that Transit would proceed with TDP development using the current rule until

notified otherwise. Currently, this would mean TDP submission to FDOT by September 1, 2024 under the existing TDP rule. LCB Chair Doherty expressed interest in having FDOT and other staff discuss the development of these studies further at a future MPO Board Meeting to keep all interested parties informed.

## 10. Citizen Comments

No public comments were given.

## 11. Staff Comments

Wendy Scott gave the following report:

- Thank you to everyone participating in the LCB Meeting.
- Welcome to Pamela Jordan as the representative for Elderly Interests.

Pamela Jordan discussed her previous 44-year career in Anne Arundel County, Maryland in various governmental roles, including County Americans with Disabilities Act Coordinator, Director of Aging & Disabilities and Deputy Chief Information Officer for Health & Human Services. She described her personal interest in advocating for individuals with disabilities due to a family member's health challenges. LCB Members welcomed her to the board.

- The representative for the Children-at-Risk position will be filled by Mr. Lynn Dorler who is the Executive Director of the Boys and Girls Clubs of Charlotte County. He was not at the meeting due to a scheduling conflict, but he expects to attend the next LCB meeting.
- Dottie Fulton, Citizen Advocate/Transit System User, had been approved by the MPO Board for another three-year term. This news was well-received by the LCB Members.
- There are currently two LCB vacancies: (1) a representative for disabled interests who is an individual with a disability, and (2) new – a representative of the local private-for-profit transportation industry. MPO staff had received some interest for the first position; but thus far, they had not received a completed application.
- TD Legislative Awareness Day will be held in Tallahassee at the Capitol Building on Thursday, January 18, 2024 (given this year's earlier legislative session). Vehicles and program advocates converge on the Capitol grounds to increase program awareness. You or your organizational representatives in the Panhandle area are invited to participate. Commissioner Doherty indicated that he would be in Tallahassee at that time with the Florida Association of Counties organization and might attend.
- MPO staff monitored the December 11, 2023 business meeting of the Florida Commission for the Transportation Disadvantaged which was held virtually. Just above 1.4 million trips were taken statewide in the past program year, as the program moves beyond the lean travel years of the pandemic period. A new County profile page will be part of the Commission's Annual Performance Report, and it is currently available on the Commission's website. (*Staff displayed the information on screen*). A major Commission goal this year is to implement the results of the Annual Operating Report (AOR) study conducted last year. Going forward a timeline for implementation and

guidance will be developed, resulting in the eventual shift from relying on each County's AOR report to the new data reporting material.

- MPO Staff was glad to participate with Transit and other County and human service agencies on December 14, 2023 at the Family Services Center in a holiday outreach event for Seniors, Veterans and Adults with Disabilities.

Betty-Ann Sherer also commented on the holiday outreach event. She provided flyers regarding an upcoming Team Punta Gorda-sponsored effort to replenish the Saint Vincent DePaul food pantry. It is a drive-through event on January 12, 2024 at the Charlotte County Community Foundation at 227 Sullivan Street from 9:00 a.m. – 1:00 p.m. Joe Sabatino noted that approximately 50-60 families are served weekly through the food pantry on Monday/Wednesday/Friday. Staff would also forward the flyers digitally post-meeting.

Heidi Maddox described the wonderful opportunity that Transit staff now has in the post-pandemic period to do community outreach events. She described the increased number of contract drivers (17 on weekdays and 3 on Saturdays). She was pleased that the new software had resulted in a significant decrease in unmet trips and no-shows. With the new software, passengers were able to confirm or cancel trips the evening before travel, as well as receive "your bus in on the way" notices just prior to their pickups. She said that exciting data would be presented at the next meeting. She noted that there were currently 20 full time and 4 part time drivers in place. Full time drivers were being utilized as stand by drivers when needed to fill their 40-hour work week. She was happy that a number of same day and next day trips were being accommodated. LCB Chair Doherty requested that whenever Heidi Maddox was ready to brief the Board of County Commissioners (BCC) on recent transit accomplishments, she coordinate a BCC presentation through Gordon Burger and Emily Lewis. Ms. Maddox indicated that she would be pleased to do a BCC presentation regarding transit.

Heidi Maddox stated that Shirley Ciampi had been promoted to a new Mobility Manager position and would be involved with grants, procurement compliance and public outreach. Ms. Ciampi was working with Jocey Henderson at the Veterans Services Office to conduct public trainings on the mobile phone application and was also going to hold lunch-and-learn sessions with human services organizations. She was also updating the transit brochure.

Suzanne Roberts praised assistance received from Charlotte County Transit for transporting the 2024 Leadership Charlotte group. She had received a wonderful response from the participants, especially since over half of them were unaware of how Charlotte County Transit can support the community. She thanked the Transit Division for their assistance.

Heidi Maddox described the new mobile phone application and its registration process coordinated through Transit Dispatchers. She reviewed a slide of phone screen shots of scheduling enhancements for bookings, trip details and trip history information. The process was similar to that of booking an Uber trip. Commissioner Doherty asked about security for the phone application system. Heidi Maddox stated that it was cloud-based and had been thoroughly reviewed and approved by the County's IT Department regarding system security. It was noted that the rides are currently free, and the drivers are contracted through a private firm. Suzanne

Roberts thanked Transit staff for including the Virginia B. Andes Volunteer Community Clinic in a pilot program for testing the new software.

Laks Gurrum congratulated Heidi Maddox on the selection of the Transit TDP consultant and stated that the MPO staff was happy to be working with Transit on the development of the document. He noted several upcoming MPO Board Meetings:

- Joint meeting with Sarasota/Manatee MPO Board on January 29, 2024, 11 a.m, Venice Community Center, 326 Nokomis Avenue S, Venice, FL
- Joint meeting with the Lee County MPO Board on February 16, 2024, 9:30 a.m, Burnt Store Road Presbyterian Church, Stewart Hall, 11330 Burnt Store Road, Punta Gorda, FL
- MPO Board Meeting on March 21, 2024 (new date/time), 9 a.m, Charlotte County Administration Center, 18300 Murdock Circle, Port Charlotte, FL

Betty-Ann Sherer noted that the information was available on the MPO's website: [Events from November 7 – March 7 – Charlotte County-Punta Gorda Metropolitan Planning Organization \(ccpgmpo.gov\)](https://www.ccpgmpo.gov)

## **12. Member Comments**

Maricela Morado stated that her agency still had robotic pets and funding assistance to seniors and adults with disabilities for Hurricane Ian expenses such as damaged appliances, windows, flooring and portions of roofs) without income verification. She urged interested parties to call the Southwest Florida Area Agency on Aging helpline for assistance.

Suzanne Roberts thanked all for their condolences to the Volunteer Community Clinic staff on the passing of Dr. David Klein and Dr. Mark Asperilla who had been instrumental in her organization's founding and growth. She was happy to announce that the Clinic's mobile medical bus would arrive in February 2024 and be presented to the Board of County Commissioners in March 2024 with a ribbon cutting and an opening event in the evening. The Clinic still needs a full-time driver, an Advanced Practice Registered Nurse (APRN) and a full-time coordinator.

Pamela Jordan stressed that the best language to use in recruiting a new LCB Member is to "do people first" (i.e., state "individual with a disability" or "person with a disability)."

Candice Monroy gave the FDOT report. She discussed the following topics:

- She is continuing to process grants for FY 2022 following delays from FDOT Central Office in getting the funding in place.
- She had received Charlotte County's two grant applications for the next cycle (as reviewed earlier in the meeting). The application process is closed and review is underway. Decisions would be forthcoming in May 2024, and no obstacles exist at this time.
- Triennial reviews (Round 3) are starting, beginning with small non-profit agencies.

Eva Tomszak inquired about how individuals qualified to be a patient of the Virginia B. Andes Volunteer Community Clinic. Suzanne Roberts responded that a patient must be at 200% or below poverty level income and a resident of Charlotte County including illegal residents. She noted that the mission is all about healthcare and saving people's lives. The non-profit Clinic is located at 21297 Olean Blvd. directly across from Fawcett Hospital. She invited all to visit Monday-Friday from 9 a.m. to 3 p.m. It has existed for 15 years, and she has been the Chief Executive Officer for the past 14 years. Information may be found here: [Virginia B. Andes Volunteer Community Clinic | Providing no cost volunteer medical, pharmacy and wellness services to the under-served in Charlotte County \(volunteercare.org\)](https://www.volunteercare.org)

Lynda Faieta stated that the School Board still needs drivers. She commented favorably on the LCB Member training video. She enjoys participating on the LCB.

LCB Chair Doherty described his pleasant holiday with generations of his family and hoped those present had experienced a wonderful holiday season, too. He looked forward to a good year full of much activity. Charlotte County has been experiencing tremendous growth with 300+ single family building permits issued each month. He noted that it still was important to maintain the area's quality of life. He characterized the LCB as a great group and appreciated each one's participation.

**13. Adjournment (Next Meeting – May 2, 2024) at the Charlotte County Transit Facility, 545 Theresa Blvd., Port Charlotte, FL 33954)**

The next LCB meeting is scheduled for Thursday, May 2, 2024, at the Transit Facility located at 545 Theresa Blvd. in Port Charlotte, FL 33954. The meeting was adjourned at 11:12 a.m.

PLAN/COORDINATED PUBLIC TRANSIT-HUMAN SERVICES TRANSPORTATION  
PLAN (TDSP/CPT-HSTP) SECOND ANNUAL UPDATE INCLUDING  
RATE MODEL CALCULATIONS**

**Purpose:** Approval of the TDSP/CPT-HSTP Second Annual Update (including the rate model calculations)

**Agenda Item Presented by:** Charlotte County and MPO staff

**Discussion:**

On March 30, 2021, the Commission for the Transportation Disadvantaged (CTD) designated the Charlotte County Board of County Commissioners (BCC) as the Community Transportation Coordinator (CTC) for Charlotte County for a five-year period commencing July 1, 2021. A new Transportation Disadvantaged Service Plan (TDSP) was approved by the LCB on September 9, 2021. This document also serves as the Coordinated Public Transit-Human Services Transportation Plan (CPT-HSTP) for purposes of Federal transportation legislation requirements. The attached change pages will serve as the second annual update to the current document and require approval by the LCB prior to submission to the CTD. Staff will revise Table of Contents page numbering if needed once updated materials are approved.

**Update Actions:**

- Revision of Cover Page with date of second annual update
- Change in grant used (from Section 5339 to Section 5307 CARES funding), pg. 11
- Change in vehicle information, pg. 12
- Mention of TDP currently under development, pg. 13
- Mention of the LRTP currently under development, pg. 14
- Revision to Public Participation (CTC Survey 2023 and 2024), pg. 16
- Note regarding graphic update upon 2025 TDP completion, pg. 17
- Mention of Hurricane Ian and Sunseeker Resort opening, pg. 21
- Trip Attractor corrections in Table I-1, pgs. 22-23 and 25
- Insertion of new 2024 Bus Transit System Annual Safety and Security Certification, (letter dated February 8, 2024), pg. 44
- Most recent CTC Evaluation date, pg. 58
- Insertion of new Transit brochure in Appendix A, pg. 61-62
- Insertion of new Transit Organizational Chart in Appendix B, pg. 63
- Insertion of new Missed Trips Policy to replace current No-Show Policy in Appendix C, pgs. 64-66
- Insertion of new Bus Inventory as Appendix G, pg. 77
- Insertion of new TD Rate Model 5-Year Comparison and Rate Model Calculations in Appendix H, pgs. 78-86
- Change MPO website address on the Charlotte County-Punta Gorda MPO Evaluation/Comment Form in Appendix I, pg. 87
- Insertion of Appendix J, 2024 CTC Evaluation, pg 89-98

# CHARLOTTE COUNTY TRANSPORTATION DISADVANTAGED SERVICE PLAN & CHARLOTTE COUNTY COORDINATED PUBLIC TRANSIT-HUMAN SERVICE TRANSPORTATION PLAN

FY 2021/2022 – FY 2025/2026

9/9/2021

Approved by the Charlotte County Transportation Disadvantaged Local  
Coordinating Board

As Amended 5/5/2022

First Annual Update 5/4/2023

**Second Annual Update 5/2/2024**

**New Transit Facility:**

With funding from an FTA Section 5339 5307 CARES grant, a new centrally located transit facility was constructed off Veterans Blvd at 545 Theresa Blvd.

Initial work site shown in Charlotte County 2019-2020 *Capital Improvements Program* adopted September 24, 2019

The new facility at 545 Theresa Blvd. in Port Charlotte provides a central location for servicing passengers county-wide. The new location reduces the response time to reach customers. The new building contains open and private office spaces, a central dispatch control area, locker rooms for drivers, a fully-equipped breakroom, a large conference room for training and meetings, and a lobby for customer service needs. It also has surface/non-enclosed parking for at least 39 transit vehicles, 40 personal vehicles for drivers and staff, and 3 1 administrative service vehicle.s and 2 vans.

#### 4. Consistency Review of Other Plans

The TDSP is consistent, to the maximum extent possible, with the following documents:

##### a. County & City Comprehensive Plans

On July 20, 2010, Charlotte County adopted its *Smart Charlotte 2050 Comprehensive Plan* with an effective date of June 15, 2011. The City of Punta Gorda has its *Comprehensive Plan 2040*. These plans identify current transit programs and projected needs for the future.

##### b. Southwest Florida Strategic Regional Policy Plan

The 2011 Strategic Regional Policy Plan was produced by the Southwest Florida Regional Planning Council (SWFRPC). The Plan contains issues, goals and policies to help guide development in the southwest region of Florida. The SWFRPC is composed of Charlotte, Collier, Glades, Hendry, Lee and Sarasota counties. This Regional Plan is based largely on the long-range needs of the aggregated local parts of the region.

##### c. Transit Development Plan

The Charlotte County Board of County Commissioners approved the *Charlotte Rides 2020-2029 Transit Development Plan (TDP)* on July 9, 2019. The Charlotte County-Punta Gorda MPO endorsed the document on July 29, 2019. The document was developed by Tindale-Oliver and Associates (TOA) and was submitted to the Florida Department of Transportation (FDOT) for final approval. The document is a 10-year transit plan that is completed every 5 years with annual progress reports provided in years 2-5. In accordance with Chapter 14-73.001, F.S., the TDP identifies both funded and unfunded transit needs in Charlotte County. It is required by FDOT so that Charlotte County may receive eligible Federal and State transit grant funding. Data was obtained utilizing surveys of passengers and the general public, as well as the latest available census figures. Factors assessed include household density and income, transit propensity, work trips, age of passengers, availability of autos in households, trip purposes and travel alternatives. Public outreach was conducted at public transit workshops (held in South, Mid and West Charlotte County). **The next TDP is currently under development with Benesch.**

##### d. Commission for the Transportation Disadvantaged Plans

Both the Commission for the Transportation Disadvantaged 5 year plan and 20 year plan set forth goals, objectives, and a plan of action. The five-year plan identifies the need for services of the transportation disadvantaged, the costs of meeting that demand, forecasts of future funding for transportation disadvantaged services, and the approaches of balancing the supply and demand for those services. The twenty-year plan presents forecasts for Florida's Transportation Disadvantaged system. The forecasts include the transportation disadvantaged population, the demand for trips, the expected supply of those trips, the remainder of unmet trips, the expected operating expenses of the provided trips and the projected number and costs of the vehicles required to provide those trips.

#### **e. MPO Long Range Transportation Plan**

The Charlotte County-Punta Gorda Metropolitan Planning Organization (MPO) 2045 Long Range Transportation Plan (LRTP) Update was adopted on October 5, 2020. Tindale-Oliver (TOA) was the project consultant. The purpose of the LRTP is to develop a multimodal system that includes public transportation. The plan assesses the needs for current and future transportation systems, establishes policy guidelines for use by staff and decision makers at all levels of government, and sets standards for the provision of public facilities. The Plan includes both short and long range planning strategies. The planning factors identified in federal transportation legislation are addressed through an integrated combination of goals, objectives and policies, project selection criteria, management systems, Traffic System Management (TSM) strategies, and analysis through a computerized travel demand model. Numerous public workshops were held to support development of the document with transit as a major topic of discussion. These efforts are discussed in the public participation narrative (#5) that follows. **The MPO's next LRTP (2050) is currently under development with Kimley-Horn as consultant.**

#### **f. Transportation Improvement Program**

The Transportation Improvement Program (TIP) is a staged five-year program of transportation improvement projects developed by the MPO as required by Section 339.175 Florida Statutes and current federal transportation legislation. The purpose of the TIP is to identify all transportation projects funded by Title 23 and the Federal Transit Act within Charlotte County and the City of Punta Gorda, including highways, transit, aviation, pedestrian and bicycle facilities, and transportation enhancement projects and to ensure coordination for transportation improvements by local, state and federal agencies. All projects listed in the TIP are consistent with the Charlotte County-Punta Gorda MPO Long Range Transportation Plan, the Charlotte County Comprehensive Plan (Smart Charlotte 2050), the Charlotte County Airport Master Plan and the County Capital Improvement Program (CIP).

#### **5. Public Participation (CPT-HSTP)**

With the implementation of the current federal transportation legislation, there is a continuing federal emphasis on public participation in transportation planning. This has resulted in the requirement for a Coordinated Public Transit-Human Services Transportation Plan (CPT-HSTP) developed with public input in order for programs to receive funding under the Enhanced Mobility of Seniors and Individuals with Disabilities Grant Program (also known as FTA Section 5310).

As discussed in this document's forward, public participation, including consultation with all public transit stakeholders in the development of the Transportation Disadvantaged Service Plan (TDSP), has been a long-term emphasis of the Transportation Disadvantaged (TD) program. Involved parties statewide include members and staff of the Commission for the Transportation Disadvantaged (CTD), various state agency personnel, local Community Transportation Coordinators (CTC), members of planning organizations and their staff, representatives of other local organizations (including governmental, civic, as well as private profit and non-profit groups), Local Coordinating Board members, and transit users. This is best exemplified in the TD Concept Chart (*Section I.A.3*).

Commissioners on July 9, 2019. Also, as part of the TDP development, two series of workshops were conducted in all three geographic parts of Charlotte County to discuss service needs with all interested parties. In addition, rider surveys were a part of the most recent CTC Evaluation. The Transit Division also surveyed passengers in January 2016.

As part of the CTC Evaluations conducted on February 13-15, 2023 and February 5-7, 2024, TD passengers were surveyed.

## B. Service Area Profile and Demographics

### 1. General Service Area Description

Charlotte County's transportation service area is displayed in this table taken from the 2020 TDP Annual Progress Report (to be revised with the completion of the 2025 TDP now underway):

The County is located in southwest Florida and is bordered on the north by Sarasota and DeSoto Counties, on the east by Glades County, on the west by the Gulf of Mexico, and on the south by Lee County. According to the 2019 US Census Population Estimates (for July 1, 2019), Charlotte County's population was 188,910. The County is 858 square miles in total including water, with approximately 680 square miles covering land area.

[U.S. Census Bureau QuickFacts: Charlotte County, Florida; United States](#)

Charlotte County consists of Punta Gorda (the only incorporated city), Port Charlotte, Murdock, El Jobean, Placida, Grove City, and a portion of Englewood. Punta Gorda and Englewood have the following geographical obstacles: (1) remote areas of Punta Gorda are 15 miles from populated areas, and (2) Englewood is approximately 21 miles from the center of Port Charlotte.

In addition to the many beaches and parks located throughout the area, Charlotte County offers many recreational destinations that appeal to all ages. The Tampa Bay Rays Major League Baseball team began conducting Spring Training in 2009 at the Charlotte Sports Park.

#### Government Offices and Social Service Agencies

A variety of government offices and social service agencies are located in Charlotte County. The County Administrative Complex is located in Murdock. Many other governmental offices are housed in Punta Gorda (South County) and West County, which includes the Englewood area. In Port Charlotte on Loveland Boulevard off of Kings Highway, a campus contains the buildings of both the Health Department and many of the Human Services Department offices.

#### Health Care Facilities

Health care facilities, including hospitals and clinics, also serve as significant trip attractors for employees as well as clients. There are three major hospitals and one mental health clinic. There is a concentration of health care centers located along Harbor Boulevard and Olean Boulevard, in the Promenades area, along Tamiami Trail/US 41 in Port Charlotte, and along US 17 in the City of Punta Gorda.

#### Schools and Colleges

Schools and colleges also can be significant traffic attractors, both for the students who attend them as well as for the teachers and staff who work there. Table I-1 shows the locations of schools and colleges in the county. Florida SouthWestern State College is located at 26300 Airport Road and Florida Gulf Coast University has a branch in Charlotte County at the Herald Court Centre. In November 2019, AeroGuard Flight Training Center opened at the Punta Gorda Airport. By the nature of their pupil catchment areas, most public K-12 schools are scattered throughout the county.

#### Shopping Centers

As shown in Table I-1, there are numerous retail shopping areas in Charlotte County. In addition to attracting shoppers, retail centers also attract employees. Hence, these types of facilities generate considerable transportation needs. Most are located along Tamiami Trail (US 41), including the Port Charlotte Town Center, an indoor mall with a large movie theater and some shopping stores, although the property suffered many closures during the pandemic and was auctioned as part of a foreclosure sale on February 28, 2022. The property sold to the bond owners in exchange for wiping out existing debt. The future of the complex is yet to be determined.

#### Other Major Employer – Cheney Brothers, Inc.

Undergoing much economic development in the years following the 2004 landfall of Hurricane Charley followed by Hurricane Ian in 2022, the City of Punta Gorda boasts the Charlotte County Events Center, several hotels and restaurants, a municipal marina, and two mixed-use commercial/parking facilities. In Port Charlotte, multiple hotels have been constructed in the Kings Highway area and along US 41. Two Community Redevelopment Areas are: (1) the Parkside CRA in the medical arts area, and (2) the Charlotte Harbor CRA north of the US 41 bridges (with a planned Sunseeker Resort now underway after encountering delays attributable to the COVID-19 pandemic-) with Sunseeker Resort now open.

The development pattern of Charlotte County’s Mid County and South County areas generally follows along the US 41 corridor. The Port Charlotte/Murdock and Punta Gorda areas serve as commercial anchors with a high concentration of generators and attractors. Also, these areas have the highest population densities in Charlotte County. In some areas, the commercial development along US 41 is located along the access roads. Areas where this condition is present would require further analysis as it relates to accessibility for public transportation. Many medical, government, and social service agencies are concentrated in the same areas. Educational facilities and area attractions are more dispersed throughout the county. In the future, the demographics and trip attractors in the two concentrated areas (Port Charlotte/Murdock and Punta Gorda) may provide an opportunity for some form of fixed route public transportation. Eventually, growth in the West County area might also support such service at some point in the future.

In 2013, a transit latent demand study jointly funded by the Charlotte County-Punta Gorda MPO and the Sarasota/Manatee MPO, explored whether or not there is demand for scheduled service between Parkside (including its medical district) and the City of North Port in southern Sarasota County. The data and its analysis recommended that there is sufficient latent demand to support a fixed route transit service in South Sarasota County and North Charlotte County. The results of this study were considered in the subsequent development of both Transit Development Plans for Charlotte County and Sarasota County.

final year of the MOA, when the LCB and MPO Board are involved with consideration of the recommendation of a CTC for the next five-year period.

The CTC is evaluated against the Charlotte County Transportation Disadvantaged Local Coordinating Board's locally established standards for service. Criteria used to develop these standards focus upon the following areas:

- Coordination of service
- Provision of service
- Resource management
- Marketing of service
- Safety
- Quality of service
- Identification and implementation of standards and policies

Included in the CTC Review are a bus or van ride and surveys of riders, contract operators and purchasing agencies. The information and findings are in a format that allows the LCB members to review performance and make appropriate decisions. The LCB analyzes the findings of the evaluation at a regularly scheduled LCB meeting. The CTC Evaluation is forwarded to the CTD for final disposition. The most recent CTC Evaluation conducted February 5-7, 2024 can be found in Appendix J.

Measurable standards included in this TDSP to which the CTC is held are those for accidents, roadcalls, and grievances. Evaluation is ongoing through quarterly reporting to the LCB at regular meetings (normally in January, May, September and November of each year). The Implementation Schedule is summarized in Section I. E. and is a continual evaluation tool.

- **FDOT Monitoring Procedures of CTC (including Contract Drivers and Coordination Partners)**

The CTC undergoes a System Safety and Contract Compliance review by FDOT. It contains fifteen records and items to be examined. The areas to be examined include general information, program plan files, bus safety inspection records, driver license records, driver training records, operational and safety procedures, driving hours and work periods, records of pre-employment exams, biennial driver medical examinations, vehicle maintenance records, daily vehicle inspection files, vehicle emergency and safety equipment inspection, and compliance with Drug Free Workplace Act.

An additional system for monitoring passenger satisfaction with the CTC, including contract drivers and coordinated partners, is a passenger satisfaction survey and analysis. These surveys are administered on a random basis. The last CTC passenger satisfaction survey was conducted in January 2016.

- **Coordination Contract Evaluation Criteria**

All coordination contracts and evaluations of those contracts are performed by the CTC utilizing County and Commission standards for the evaluation. LCB members have the opportunity to

## Charlotte County Transit Missed Trip Policy

Charlotte County Transit provides a public curb-to-curb transportation service to individuals. These passengers are required to reserve specific pickup and drop-off times by calling our reservation line at **941.575.4000 (Option 1)** or through our Charlotte Rides Mobile App. This allows Charlotte County Transit to effectively plan trips during operating hours providing services to as many passengers as possible.

On occasion, a passenger is not able utilize a scheduled trip. When this occurs, the passenger is required to notify Charlotte County Transit they no longer want the trip. Additionally, Charlotte County Transit recognizes that emergency situations occur and may cause the passenger to give a short cancellation notice or no notice at all. When a no-show or a late cancellation occurs, this places a strain on Charlotte County Transit services because a vehicle and driver will make a non-productive trip that could have gone to another passenger. Charlotte County Transit recognizes this is normally a rare event that may occur with any passenger.

However, when a passenger repeatedly misses trips it places a serious strain on Charlotte County Transit services. To prevent this, Charlotte County Transit established this process to warn or suspend passengers who show as a pattern or practice of missing scheduled trips on a regular basis and a method of determining whether a missed trip is beyond a passenger's control.

Charlotte County Transit will record each passenger's no-show, late cancellation, and cancel at door as a missed trip classified by the definitions below. Passengers with excessive missed trips may be suspended from services for a reasonable period of time. This policy applies to both advance reservation and subscription trips. A no-show due to Charlotte County Transit error does not count as a missed trip.

### Terms and Definitions:

- **Trip:** any scheduled demand-response or subscription service ride between one pick-up location and one drop-off location.
- **Standing Order Trip:** are trips with the same pick-up time, pick-up location, and destination.
- **No-Show:** a passenger fails to board the Charlotte County Transit vehicle after the vehicle arrives for a scheduled trip during the thirty (30) minute pick-up time window. Drivers will wait three minutes after they arrive before recording the passenger as a no-show.
- **Late Cancellation:** the passenger or their representative calls to cancel a scheduled trip less than one (1) hour prior to the pickup time.
- **Cancel at Door:** when the vehicle arrives at the pick-up location for a scheduled trip within the thirty (30) minute pick up window and the passenger or their representative notifies the driver at that time that they no longer need the scheduled trip. As Charlotte County Transit cannot determine the passenger's needs, the driver will not cancel any other trips booked for the passenger that day; this is the passenger's responsibility.
- **Missed Trips:** any no-show, late cancellation, or cancel at door trips.

- **Missed Trips Beyond a Passenger's Control:** This is when a trip is missed for reasons beyond the passengers control. These include events such as a sudden illness, a family or personal emergency, an appointment delay, or another unforeseen reason where it is not possible to call Charlotte County Transit to cancel the trip in time or to take the trip when the driver arrives as scheduled. passenger should still make every effort to cancel scheduled trips in a timely manner. It is the passenger 's responsibility to provide Charlotte County Transit the reason for not canceling a trip as soon as possible. Missed trips beyond a passenger's control will not be considered missed trips. If a missed trip is due to a passenger receiving life-sustaining treatment, such as kidney dialysis, Charlotte County Transit will not consider the trip a missed trip.

1. **Cancelling Scheduled Trip:**

- a. Passengers are responsible for cancelling any trips they no longer want or need.
- b. Passengers will call **941.575.4000 (Option 2)** for cancellations or use the Charlotte Rides Mobile App at least one (1) hour prior to the scheduled pick-up time window to cancel a trip.
- c. Charlotte County Transit schedules pick-up and return trips separately and assumes all scheduled return trips are needed unless told otherwise told by the passenger or their representative.
- d. If a pick-up trip is a no-show, late cancellation, or cancel at door, Charlotte County Transit will cancel other trips for that passenger on the same day unless told not to do so by the passenger. Drivers are not allowed, by policy, to cancel future trips; the passenger must contact Charlotte County Transit by phone **941.575.4000 (Option 2)** or use the Charlotte Rides Mobile App. If the return trip is also a no-show, the passenger will be assessed two (2) no-shows that day.

2. **Pattern or Practice of Missed Trips:** A passenger who accumulates four (4) no-shows in six (6) months or less on their service record, may lose the privilege of ride services under the following progressive measures:

- Four (4) no shows in six (6) months will result in a thirty (30) day suspension.
- Each additional no show after initial 30-day suspension will result in an additional 30-day suspension.
- Falsifying one's identity during a no-show suspension will result in permanent suspension.
- Attempting to be a guest during a no-show suspension will increase a passenger's suspension time another thirty (30) days.

**Subscription Missed Trips:** Will generate a standing order suspension after three (3) cancellations in two (2) weeks. Continuous cancellations will result in suspension **per #3** of this policy.

3. **Suspension or Termination of services due to a Pattern or Practice of Missed Trips:**

**First Warning:** After the first missed trip, passenger will receive a notice via USPS containing the missed trip date.

**Second Warning:** After the second missed trip, passenger will receive a yellow notice via USPS containing the missed trip dates.

**Final Warning:** After the third missed trip, passenger will receive a final red notice via USPS containing the missed trip dates.

**Suspension Letter:** Suspension letter will be mailed via USPS Certified Mail to the passenger containing missed trip dates and dates of suspension from service.

4. **Notification and Right to Appeal:** The grievance process is available to any passenger wishing to appeal the decision of Charlotte County Transit. This process is described in the Transportation Disadvantaged Service Plan (TDSP) and available online: [www.CharlotteCountyFL.gov/transit/](http://www.CharlotteCountyFL.gov/transit/).

- a) Suspensions go into effect the date of the fourth (4<sup>th</sup>) missed trip. The suspension letter will state the missed trip dates and the thirty (30) calendar days that the passenger is suspended.
- b) The appeal letter must be received in writing by Charlotte County Transit at least seven (7) calendar days following the missed trip notification and/or suspension letter.
- c) In the appeal letter, the passenger must list their name, address, phone number, and date of birth. The passenger should explain why they believe the suspension or termination was given in error, or why they should be excused from serving the suspension or termination. The passenger should include any documentation supporting their case.
- d) If a passenger requires assistance with the appeal process, they can contact Charlotte County Transit at **941.575.4000 (Option 4)**. If a Charlotte County Transit staff member helps the passenger write the appeal letter, the passenger must sign the letter before Charlotte County Transit will accept it.
- e) The passenger must mail or hand-deliver the appeal to:

**Charlotte County Transit**  
**545 Theresa Blvd.**  
**Port Charlotte, FL 33954**

- f) Upon receipt of the appeal letter, the Transit Operations Coordinator or his/her designee, will respond to the passenger within five (5) calendar days by USPS Certified Mail.

**<sup>1</sup> Rate Base Adjustment Cell**

If necessary and justified, this cell is where you could optionally adjust proposed service rates up or down to adjust for program revenue (or unapproved profit), or losses from the Actual period shown at the bottom of the Comprehensive Budget Sheet. This is not the only acceptable location or method of reconciling for excess gains or losses. If allowed by the respective funding sources, excess gains may also be adjusted by providing system subsidy revenue or by the purchase of additional trips in a period following the Actual period. If such an adjustment has been made, provide notation in the respective explanation area of the Comprehensive Budget tab.

### A. General Information

In October 1987, the Charlotte County Board of County Commissioners (BCC) through its Transit Division was designated by the Florida Commission for the Transportation Disadvantaged (CTD) as the Community Transportation Coordinator (CTC) for Charlotte County. This relationship has continued to this day. On March 30, 2021, the CTD designated the BCC as the CTC for the next 5-year period. The Charlotte County Transit Division operates a governmental system in a small urbanized area.

**AGENDA ITEM # 7**  
**COMMUNITY TRANSPORTATION COORDINATOR (CTC) EVALUATION**

**Purpose:** To review the Charlotte County CTC Evaluation

**Agenda Item Presented by:** MPO Staff

**Discussion:**

Pursuant to Florida Statutes, Chapter 427, and Florida Administrative Code, Rule 41-2, the Local Coordinating Board (LCB), with the assistance of the Official Planning Agency (OPA), conducts an annual performance evaluation of the Community Transportation Coordinator (CTC). In Charlotte County, the designated CTC is the Charlotte County Board of County Commissioners (BCC), the governing board of the County Transit Division. This year, the CTC Evaluation was conducted on February 5-7, 2024.

The CTC Evaluation document was developed utilizing sections of the CTC Evaluation Workbook and sample materials provided by the Florida Commission for the Transportation Disadvantaged (CTD). This year's review involved a bus inspection and ride-along, as well as examination of documentation provided by Transit Division staff. Additionally, surveys of riders and a vendor were conducted.

**Recommendation:** Motion to approve the Draft Annual CTC Evaluation

### A. General Information

In October 1987, the Charlotte County Board of County Commissioners (BCC) through its Transit Division was designated by the Florida Commission for the Transportation Disadvantaged (CTD) as the Community Transportation Coordinator (CTC) for Charlotte County. This relationship has continued to this day. On March 30, 2021, the CTD designated the BCC as the CTC for the next 5-year period. ## **B. Chapter 427, F.S.**

The CTC complies with Chapter, 427, F.S., by fulfilling the requirements specified in 427.0155, F.S. This includes assuming full responsibility for the delivery of transportation services for the transportation disadvantaged. Another task achieved is executing contracts for driver and bus washer services, disaster stretcher services and non-profit operators serving as volunteer organizational partners. A new contract for driver and bus washer services took effect on October 1, 2022 with a new provider. The CTC also collects annual operating data and reviews all applications for local, state (including transportation disadvantaged) and federal (including Sections 5310 and 5311) grant funding. The CTC also develops cost-effective and efficient coordination strategies.

**Area of Noncompliance:** None

**Recommendation:** None

**Timeline for Compliance:** None

## **C. Rule 41-2, F.A.C.**

The CTC fully complies with Rule, 41-2, F.A.C. These requirements further refine those stated in Chapter 427, F.S. A key requirement is possession of an awareness of all transportation disadvantaged resources available or planned in the Charlotte County service area. Equipped with this knowledge, the CTC plans, coordinates and implements the most cost-effective system possible under existing conditions including funding constraints. The CTC performs this task very well, enhancing travel opportunities for TD passengers by offering discounted fares for general paratransit service (life enhancing trips beyond life sustaining TD trips) during normal times. However, due to the COVID-19 pandemic, the BCC began providing free fares for all riders, whether the trips were TD or Section 5307 grant funded. Following a November 4, 2016 Compliance Monitoring (CM) review, Charlotte County Transit staff developed an excellent Transportation Disadvantaged application (effective July 1, 2017) in order to document rider eligibility and improve record retention. It has been used as a model for other CTCs. Additionally, inclusion of required language in operator contracts has also resulted from the CM review recommendations.

**Area of Observation:** None

**Recommendation:** None

**Timeline for Compliance:** None

## **D. Americans with Disabilities Act**

The CTC follows all guidelines required by the Americans with Disabilities Act. Charlotte County transit service is a "paratransit only" (door-to-door) system and meets the needs of all TD clients with disabilities.

## E. Bus/Van Ride

On February 5, 2024, two MPO staff members participated in a Mid-County TD trip. The trip was conducted with eight passengers and Driver Troy Peterson using a Charlotte County Transit vehicle to transport riders to and from the DAVITA Dialysis Center, 4300 Kings Hwy, Unit 406 in Charlotte Harbor, FL. A full discussion of the trip is attached.

## F. Surveys (see attachment)

**Area of Noncompliance:** One complaint received while surveying (*regarding a different driver/not Mr. Peterson*)

**Recommendation:** Immediately discussed with Transit Manager who has taken action to address the situation.

**Timeline for Compliance:** None

## G. Follow-up of previous QAPE/CM Review (if applicable)

**Previous Area of Noncompliance:** The last QAPE/CM Review was conducted by Thomas Howell Ferguson, P.A. and CTD staff on April 29, 2019 for the July 1, 2017 – June 30, 2018 fiscal year.

**Status:** Completed.

## Charlotte County Board of County Commissioners Transit Division

### **H. Additional Observations**

As CTC, the Charlotte County BCC has performed the delivery of TD services in Charlotte County for more than three decades, handling the transportation needs of the County's most transit dependent populations. A portion of this work is achieved with volunteer programs, where the County provides the vehicles, while the participating organizations furnish volunteer drivers. All types of trips are accomplished including rides to out-of-county veterans' medical facilities. Also, the CTC has obtained several grants to assist local passengers. These include funding from Federal Transit Administration (FTA) Section 5310 (Enhanced Mobility of Seniors and Individuals with Disabilities) and FTA Section 5311 (Rural Area Formula) Grants.

The Transit Division utilizes the County's website, [Transit Services | Charlotte County, FL \(charlottecountyfl.gov\)](https://www.charlottecountyfl.gov/transit-services), to provide information to citizens desiring to use transit services. Passengers may download a TD Services application. There are also links to the Florida Commission for the Transportation Disadvantaged and the Florida Commuter Services websites. Passenger informational brochures are available on the website or in hard copy in both English and Spanish. Mobile phone Transit app training is commencing.

### **I. Current Year Trip and Equipment Grant (if applicable)**

The Trip and Equipment Grant for Charlotte County currently runs from July 1, 2023 through June 30, 2024.

**Area of Noncompliance:** None

**Recommendation:** None

## **III. Conclusion**

The Charlotte County Transit Division is doing an excellent job of fulfilling its Transportation Disadvantaged program mission. This is especially true as it emerges from the COVID-19 pandemic, only to deal with Category IV Hurricane Ian's direct hit to the community. Resulting contract driver and County staff shortages had added to the challenge of service provision, but recent steps largely have corrected this issue. The only required corrective action was follow-up to a surveyed passenger's complaint, and the Transit Manager immediately took action on the situation. When surveying passengers, twice riders expressed surprise that they could use the transit services for more than one purpose/destination. Outreach could be done to educate current system users on all their destination options.

It is also recommended that in addition to the County's website (where the fare is correctly displayed), the County's current "free transit fare" policy be marketed to the

public through all means possible (including newspaper advertisements, promotional brochures, business cards, CC-TV 20 broadcasts, etc. with updated fare information.) The development of the County's 10-Year Transit Development Plan (TDP) will afford the opportunity to Charlotte County Transit to publicize the current transit service and to consider service upgrades. This document is due to FDOT by September 2024. Part of this effort will include a fare study and a marketing plan, as well as an assessment of alternative fuel vehicles. Results also will be beneficial in developing the MPO's 2050 Long Range Transportation Plan (LRTP).

### 1. BUS/VAN RIDE

On February 5, 2024, MPO staff accompanied Driver Troy Peterson and eight passengers on a regularly scheduled Monday morning trip to and from the DAVITA Dialysis Center, 4300 Kings Hwy, Unit 406 in Charlotte Harbor, FL. An LCB Member had planned to participate, but she was unable to ride due to illness. MPO Staff boarded the bus at the Transit Facility at 545 Theresa Blvd. prior to passenger pickup. Mr. Peterson was wearing a bright yellow safety vest with the name of the contractor on the back. He was very attentive in providing boarding and exiting assistance to passengers based upon their levels of need and desires. All passengers were ambulatory. Both the Transit Division's comment/complaint line and TD Ombudsman Helpline signage were posted, along with additional informational signage (service suspension for upcoming holiday, grocery bag limits, etc). The vehicle's air conditioning, heat and two-way communication devices were all in working order. The entire bus was immaculate, including the seats which were clean and in good condition. Several passengers commented on how comfortable the seats were in the 16-passenger vehicle.

Noteworthy driver performance: Troy Peterson performed his job very professionally, especially in assisting the passengers with their baggage (which was often cumbersome given items normally taken to dialysis including pillows, blankets, etc). For arriving passengers, he also escorted them to the facility door and assured that they were receiving assistance from facility staff. For those passengers arriving back to their residences, he waited until he observed them safely gaining entry. Given the regularly scheduled residential and dialysis destinations, he was familiar with the riders and had a good understanding of their needs. The atmosphere was very cordial both amongst passengers and with their driver. It was evident that friendships had been formed. There was discussion over the absence of one regular rider. One passenger informed the driver that the absent passenger was currently residing out-of-state. The driver took action to note the no-show status of the passenger and verify the fact that the regularly scheduled ride would need to be discontinued. The driver was also notified by dispatch of a backpack that had been left behind on an early morning trip. As soon as possible, Mr. Peterson personally retrieved the backpack from the passenger section and secured it in the driver portion of the vehicle to ensure its safe return. He also deserves high praise for his attention to adhering to his schedule, so that arrivals and departures occur promptly while being mindful of all traffic regulations.

## 2. RIDER SURVEYS

A County-wide survey of TD passengers who rode on February 5, 2024 was conducted on February 5-6, 2024 via telephone from the Transit Facility. Passenger average use of the Transportation Disadvantaged services was 3-5 times per week (89%) and 1-2 times per week (11%). These figures reflect frequent usage (tied to dialysis, congregate dining and work commute trips). Trip purposes were for medical (67% of riders), employment (22%), nutritional (22%), educational/training/adult day care (0%), and life-sustaining/other (11%). Average satisfaction with the service on a scale of 1 to 10 (10 being most satisfied) was 9, an increase of .25 points from the last CTC Evaluation.

Comments received regarding "What does transportation mean to you?":

"This transportation is everything. It's my freedom. I can take care of all my needs and not rely on anyone else. Driver Kathy is great. She changed routes and is no longer my driver. All of the drivers have been great and very helpful."

"This transportation is very important. I cannot afford a car. This is the only way I can get to appointments."

"This transportation means that I am getting to dialysis and back. Hurricane Ian totaled my car, and I lost my house. I am living in a hotel. I've learned to be ready in plenty of time, and the hotel front desk staff has helped to alert me. The transportation works fine. There are great drivers, especially Debra."

"This transportation is convenient. It allows me to get to my appointments on time. It is a great service."

"Some drivers are good, but some drivers are rude. This transportation is a must-have necessity. The buses are very clean and seem to run well." (*rudeness complaint was relayed to Transit Manager for driver retraining*)

From adult son (caregiver): "My mom initially was scared when going to the adult meal site, since she had never ridden a taxicab or bus in her life. Now, after experiencing it, she is very happy to take the trip/visit with other clients, and she loves the service which we rate 12+++ . We are new to the area and anxious to learn about all the places where she can go. I appreciate the service alerting the family to bus pick up and drop off times. It is wonderful to have warning of her arrival time, so I can make ready to greet and assist her."

## Charlotte County Board of County Commissioners Transit Division

"I am unable to drive. The transit service is reliable. The drivers are great, and I've never had a problem using this service. I take the bus Monday through Friday for work. I couldn't be independent without this service."

"Sometimes the rides are a little long, but I understand the need to pick up others, so it's okay. This is freedom. I use a wheelchair. The drivers are awesome!"

### **3. CONTRACT OPERATOR SURVEYS**

The CTC's current contract operator (providing bus driver and bus washing services) was hired effective October 1, 2022. For the evaluation AOR timeframe, the old provider was Ameditrans through September 30, 2022. The new contractor is A&Associates. MPO staff surveyed the current contractor for this CTC Evaluation.

- **Do the riders contact your facility directly to cancel a trip?**  
The contractor stated "no," because the County handles these arrangements. Her firm only provides contract drivers and bus washers.
- **Do the riders/beneficiaries call your facility directly to issue a complaint?** The contractor stated "no," because the County handles these arrangements. Her firm only provides contract drivers and bus washers.
- **Do you have a toll-free phone number for a rider/beneficiary to issue commendations and/or complaints posted on the interior of all vehicles that are used to transport TD riders? If yes, is the phone number posted the CTC's?**  
The contractor stated that her drivers utilized County vehicles that have the posted signage.
- **Are the invoices you send to the CTC paid in a timely manner?**  
The operator responded "yes."
- **Does the CTC give your facility adequate time to report statistics?**  
The operator responded "yes."
- **Have you experienced problems with the CTC?**  
The operator responded "no."

### **4. PURCHASING AGENCY SURVEYS**

The only purchaser of non-sponsored services from the CTC is the CTD; therefore, the purchasing agency survey was not applicable. (This is in keeping with the procedures established by the firm of Thomas Howell Ferguson at the time of the previous QAPE/CM conducted November 4, 2016).
