

ZERO

FATALITIES IS OUR GOAL

The Charlotte County-Punta Gorda Metropolitan Planning Organization (CC-PG MPO) secured a federal Safe Streets and Roads for All (SS4A) grant to address transportation safety concerns in Charlotte County. Funds are being used to create a Comprehensive Safety Action Plan to outline opportunities to eliminate traffic fatalities and serious injuries while creating safer roads for citizens and visitors alike. We hope you can join us at this interactive public meeting and become part of the conversation.

How do we reach **ZERO** traffic-related deaths on Charlotte County roads?
